Little Hands Signing Series

Find high-resolution book cover images at <https://kathymacmillan.com/press-kit/>

American Sign Language makes it easy to communicate with your child, and Nita makes it fun! Each book teaches ten essential signs for every parent and child to know. A simple story about Nita and her family teaches each sign in context, and repetition throughout the story makes them easy to practice. Even better, each page slides open to reveal accurate instructions on how to make each sign, plus tabs on the side of each page make it simple to locate every sign for later reference.

Nita's First Signs

Little Hands Signing Series #1

Familius Press, 2018

by Kathy MacMillan

Illustrations by Sara Brezzi

ASL/Deaf Culture Advisor: Dr. Barbara Kannapell

Board book ISBN 978-1945547676

Ages 0-4

- 2018 Foreword INDIES Award Silver Winner
- Featured in BookRiot's "6 of the Best Baby Sign Language Books for Parents"

"*Nita's First Signs* is a wonderful introduction to the world of American Sign Language for children. The book is not only entertaining and creative with its depiction of signs, it encourages the reader to go to a video source as a means to reinforce the signs learned through real-time instruction. In the end, *Nita's First Signs* demonstrates the value and fun of learning sign language for ALL infants, toddlers, children AND adults, regardless of whether they are Deaf or hearing or hard of hearing." – Marlee Matlin, award-winning Deaf actress, author, and activist

"This unique and fabulous book teaches ten popular ASL signs to enable basic communication between babies who are not yet talking and their parents. Ten commonly used words (such as more, thank you, all done, please, eat, and hungry) are highlighted. Slide-out panels contain simple instructions along with pictures that name and illustrate each sign. Color-coded tabs will help parents easily find the signs they are looking for. In addition to being beautifully illustrated, the construction of this book is amazing. This book will appeal to children and adults of ALL ages for the simple story, the lovely illustrations, and the access to American Sign Language that it provides." – Betsy Diamant-Cohen, creator of the award-winning Mother Goose on the Loose early literacy program

"Choosing to teach your baby sign language can open the door to meaningful communication earlier than expected and help defray frustration in the future. *Nita's First Signs* is a wonderful way to start that journey with your child." – Alison H. Scott, MD, FAAP, founder/CEO of Baby Doc Box

Nita's Day: More Signs for Babies and Parents

- Winning Selection: Bookstagang Best of 2020 Picture Books
- Featured in BookRiot's "6 of the Best Baby Sign Language Books for Parents"

"Kathy MacMillan has again created another engaging ASL board book for families that is sure to both entertain and educate...A must for every collection!" – Dr. Betsy Diamant-Cohen, Executive Director, Mother Goose on the Loose, LLC

"Tabbed pages make flipping to the correct sign easy for sleep-deprived parents using the book as a reference. Short, simple, descriptive sentences put the signs in context. Brezzi's stylized cartoons are clear and accessible, employing a wide range of patterns and unusual colors...Deaf culture, ASL, and early-childhood content were vetted by experts, making it suitable for Deaf children or families who want to incorporate sign into their daily routine. A handy resource for hearing and Deaf families alike." – *Kirkus*

"*Nita's Day: More Signs for Babies and Parents* is not just for children, it engages parents as well and serves as a great introduction for anyone wanting to learn the basics of American Sign Language" - *The Children's Book Review*

- A Children's Book Council Hot Off the Press Pick

“Fun and informative from cover to cover, “Nita’s Food Signs: An Interactive ASL Board Book” is an ideal interactive board book introduction to American Sign Language and unreservedly recommended for family, daycare center, preschool, and community library Board Book collections for children ages 1-3.” – Andrea Kay, *Midwest Book Review*

“The signing instructions are very clear and easy for children to understand. Each page contains vibrant colors and engaging illustrations that children will enjoy. This book would make a great addition to any preschool classroom and household seeking to promote diversity... This story can also aid ASL comprehension and would be a great starting point for learning simple food signs. ASL is useful for young children who have not yet begun speaking, giving them another tool to express themselves. Therefore, this book is highly recommended.” – 5-Star Review, *Children’s Literature*

“Kathy MacMillan has done it again! Literacy for all children is foundational! Reading for young children should involve many senses to help scaffold early literacy for Deaf and nonDeaf children. In the series about Nita and her family, the author not only fosters engagement with the book through written print, stimulating art, and kinesthetic participation cultivating learning printed English, but also supporting literacy via American Sign Language (ASL). Research has shown that children that are taught and/or exposed to ASL at a young age (both hearing and Deaf children) have higher reading and writing scores at an older age as well as having fewer tantrums, boosting vocabulary, and more. Littles who learn some ASL do not have to fully be fluent in Sign Language to reap the benefits of higher reading scores.” – Dr. Lisalee D. Egbert, Professor and Coordinator for ASL & Deaf Studies

Laundry is a chore, but when a child climbs in the basket, everything becomes a game. Follow along as this mother takes a break from folding clothes to join her child in the delightful laughter of imagination. In *The Runaway Shirt*, housework and pretend play come together to transport readers to a kid's world of wonder and excitement. Each page of charming illustration is a work in joy and mirth. Who knew folding laundry could be so much fun?

“A sweet depiction of how even a mundane task can turn into a fun game given some imagination, patience, and love.” – *School Library Journal*

“Many a young reader will giggle in recognition of similarly enacted pretend games of their own.” – *Kirkus*

“In a creative blend of housework and pretend play, *The Runaway Shirt* welcomes you to witness the world through a child's eyes: where the simple folding of laundry is the launchpad for a world of runaway clothing and disappearing shirts. This charming read portrays the loving bond between parent and child, and the joy of nurturing your child's imagination...Don't be surprised if your own littles beg for laundry day after this one!” – Maya Espiritu, MaiStoryBookLibrary

When the world tells you to stay quiet, do you listen, or do you speak up? In *She Spoke: 14 Women Who Raised Their Voices and Changed the World*, with the touch of a button readers can hear Dr. Mary McLeod Bethune, Dolores Huerta, Dr. Maya Angelou, Dr. Jane Goodall, Shirley Chisholm, Susan Shown Harjo, Hillary Rodham Clinton, Leymah Gbowee, Dr. Temple Grandin, Justice Sonia Sotomayor, Tammy Duckworth, Dr. Joanne Liu, Abby Wambach, and Malala Yousafzai. Through succinct profiles, stunning portraits, and the original voices of these women, *She Spoke* will inspire readers of all ages to share their own truths and change the world.

- Bookstagram Choice Award Winner – Best 2019 Anthology of Women for Young Readers
- Selected by Rise: A Feminist Book Project 2020 Booklist

“The words are all inspirational, and so are the stories. Better still, as examples for budding activists, along with the predictable recitations of jobs, honors, and successes, the overviews often acknowledge failures, cannily characterizing them as first steps or as means to some greater end. A chorus of voices for justice and change, diverse alike of identity and cause.” – *Kirkus*

“*She Spoke* is a unique anthology of trailblazing women that pairs their stories with their voices. (Remember those books with buttons on the side that play nursery rhymes or farm animal sounds? Like that, but WAY better.)...The concept is brilliant and like nothing I’ve ever seen – to hear these incredible women’s voices saying their iconic words is truly magical.” – Bookstagram Choice Awards

“When we first laid our eyes on this book, illustrated by Kathrin Honesta, there were several audible gasps, posts to social media, and several copies set aside for our own budding young feminists. We’ve stocked up on this amazing collection of outspoken women biographies, which literally has the audio of their famous words available at a push of a button. When your two year old is parroting Abby Wambach and Malala Yousafzai you know you’ve made a smart decision in purchasing this book.” – “What we’re reading: Reviews from the staff at Bartleby’s,” *Manchester Journal*, August 30, 2019

Through succinct profiles, stunning portraits by illustrator Becky Thorns, and the original voices of these international women, *She Spoke Too* will inspire readers of all ages to share their own truths and change the world.

- Gold Winner, Foreword INDIES Best Juvenile Nonfiction Book of the Year 2024
- Selected as a Notable Social Studies Trade Book 2025 by the National Council for the Social Studies and the Children's Book Council (CBC)
- Finalist, Imadjinn Awards, Children's Book Category

STARRED REVIEW: "Thorns's vibrant illustrations, blending paint and digital art, bring these women to life, surrounded by symbols of their causes. Each profile features a poignant quote from the activist as well as a thought-provoking discussion point that encourages readers to consider their own potential impact. VERDICT This book is a vital addition to any nonfiction collection, for anyone seeking inspiration to dream bigger than they thought possible."—Jessica Clark, *School Library Journal*

"From cover to cover, *She Spoke Too* is thoughtful, compelling, and well-organized. I loved that the authors' chose to feature women from a diverse array of backgrounds, occupations, ethnicities, abilities, faiths, and countries of origin, so that young readers might more readily see themselves reflected on the page. I can't think of anything better than a book that inspires and empowers children to embrace their full potential and *She Spoke Too* does just that." - ReadingForSanity.com

"This picture book introduces the reader to fourteen women who learned to use their voices to improve the lives of others...The two-page spread for each woman gives the reader an illustration of the woman, with a quick fact box for personal details. The right side of the spread references ways in which readers can become involved to make their voices heard." – Children's Literature

"Sometimes the coolest places are right outside your front door. Learning about Baltimore's interesting and unique culture has never been so super fun! "After 19 years of living in Baltimore, 10 of them spent covering the city streets on a bicycle (my only mode of transportation during that time), and seven moves across the city's neighborhoods, I didn't think there was much left for me to discover about Charm City. Even so, I'd be hard-pressed to compile an exhaustive list of everything that makes our city the greatest. Kathy MacMillan's done some of the work for us in Super Cities! Baltimore. I sat down to read the book with my six-and-a-half-year-old daughter, Mila...'I basically liked all of the book,' Mila told me after we'd finished reading. 'It felt like I was really there.'" - "Mother/Daughter Corner: Ana and Mila Hart Review 'Super Cities! Baltimore'" at BaltimoreFishbowl.com

In a sweeping fantasy that award-winning author Franny Billingsley calls “fascinating and unique,” debut author Kathy MacMillan weaves palace intrigue and epic world-building to craft a tale for fans of Rae Carson and Megan Whalen Turner.

Raisa was just a child when she was sold into slavery in the kingdom of Qilara. Despite her young age, her father had been adamant that she learn to read and write. But where she now lives, literacy is a capital offense for all but the nobility. The written language is closely protected, and only the King, Prince, Tutor, and Tutor-in-training are allowed to learn its very highest form. So when she is plucked from her menial labor and selected to replace the last Tutor-in-training who was executed, Raisa knows that betraying any hint of her past could mean death.

Keeping her secret guarded is hard enough, but the romance that’s been blossoming between her and Prince Mati isn’t helping matters. Then Raisa is approached by the Resistance—an underground rebel army—to help liberate the city’s slaves. She wants to free her people, but that would mean aiding a war against Mati. As Raisa struggles with what to do, she discovers a secret that the Qilarites have been hiding for centuries—one that, if uncovered, could bring the kingdom to its knees.

- Finalist, 2017 Compton Crook Award

“I was completely enthralled by the fascinating and unique world that Kathy MacMillan has created. The depth and skill she demonstrates with her ability to build an original mythology based on words and the power of language are highly unusual for a first-time novelist and I couldn’t turn the pages fast enough.” – National Book Award finalist Franny Billingsley

“A tense, romantic fantasy epic about prejudice, political struggle, and the power of words, *Sword and Verse* kept me guessing at every turn. Kathy MacMillan is a writer to watch.” — R.J. Anderson, Andre Norton Award-nominated author of *Ultraviolet*

“Sword and Verse is a slow burn, a thoroughly crafted novel in every sense of the word.”— *RT Book Reviews*

“[T]his is a highly satisfying novel with an exciting conclusion. Filled with romance, political intrigue, and rebellion, this stand-alone page-turner will be in high demand by fantasy lovers.” — *Voice of Youth Advocates*

“Fans of Megan Whalen Turner will enjoy MacMillan’s debut novel...MacMillan explains the complicated political twists and turns clearly, and her characterizations are layered and believable.” — *Publishers Weekly*

“Literacy becomes the key to liberation in a thoughtful debut fantasy.” – *Kirkus*

“MacMillan’s love of learning, knowledge, and literacy shapes both plot and character development, while raising ethical questions with no easy answers. Beneath what appears to be a romantic fantasy, discerning readers will find complex, broader issues among the predictable comforts of the genre.” — *Booklist*

“MacMillan has created a believable world, complete with its own mythology.” — *School Library Journal*

Soraya Gamo was meant to be queen of Qilara, until an Arnath slave rebellion destroyed the monarchy and the capital city. Now, improbably, she sits on the new Ruling Council beside her former enemies, finally holding the political power she always wanted – but over a nation in ruins. As she works to rebuild Qilara, she can, at last, use what everyone once told her to hide: her brain.

But not everyone is ready to accept the new equality that the Ruling Council has decreed between the Arnathim and Qilarites. So when a slave ship arrives in the city, full of Arnathim captured before Qilara fell—the civil unrest that has been bubbling since the rebellion erupts.

Forced to confront her own prejudices, Soraya struggles to gain the trust of the Arnath people she once disregarded and establish peace in what has become chaos. With the threat of attacks high, Gelti, a former guard captain, trains Soraya in self-defense. As the two grow close, tension within the city ramps up, with danger, betrayal, and deception meeting Soraya everywhere she turns. Friends become foes, adversaries become companions, and the clashing of classes threatens to unravel all the good Soraya has been trying to do. Can Soraya, raised to be a proper Qilarite lady, learn to be a true leader? Or will the sins of her past forever haunt the footsteps of her future?

"Rich in politics, intrigue, and betrayal, *Dagger and Coin* is a complex feminist fantasy featuring a tough and prickly ex-princess that I couldn't help but adore." – Heidi Heilig, author of *The Girl from Everywhere*

"[A] riveting fantasy sequel...Soraya's compelling narration makes the minutiae of management as thrilling as the betrayals, murders, and desperate gambits propelling the plot...A fine balance of political intrigue, relationship drama, and thoughtful characterization." – *Kirkus*

"MacMillan builds tension slowly, and soon readers will be locked into the wrangling for power and influence that goes into forging a new foundation." – *Booklist*

"MacMillan has created a complex, nuanced world. Strong female characters taking the lead in a fast-paced plot will appeal to fans of fantasy, mythology, and works by Kristin Cashore... Those who haven't read the first title in the series will not be disappointed or confused. A good choice for fantasy shelves." – *School Library Journal*

Second edition
by Kathy MacMillan
with photographs by Kristin Brown
Hands Up Press, 2022
Paperback ISBN 978-1667875255
Adult

Research shows that using American Sign Language with young children can

- reduce frustration for both caregiver and child
- increase IQ
- stimulate language learning
- enhance bonding
- raise a child's self-esteem
- improve everyday life and communication!

Little Hands & Big Hands: Children and Adults Signing Together offers solid background information on signing with children ages birth to six, along with hands-on games, fingerplays, songs, and more that caregivers, librarians, and educators can use to smooth transitions, calm a fussy child, or engage a stubborn one. Each activity is accompanied by photos of the relevant signs.

“Author and ASL educator Kathy MacMillan has brilliantly combined the world of ASL with early literacy activities...Explanations and research support are seamlessly woven into each activity...I highly recommend this resource to anyone working with children from birth to age six.” -Betsy Diamant-Cohen, creator of the award-winning Mother Goose on the Loose early literacy program

Storytime Magic Series

Enriching and supplementing storytelling programs with fingerplays, flannelboards, and other props will be a cinch thanks to these books, each of which features a generous sampling of art and craft ideas, songs, sign language, and action rhymes.

These time-saving resources include:

- Thematic organization to make program planning easy
- Recommended books for each theme
- Easy-to-follow craft and flannelboard patterns
- Quick Tips boxes that enhance the early literacy component

A unique addition to the programming shelf, each book is a treasure trove of storytime tools designed to help veteran librarians refresh and enliven ongoing programs, while providing novice storytime planners what they need to get started!

Storytime Magic

Storytime Magic series #1
by Kathy MacMillan and Christine Kirker
with illustrations by Melanie Fitz
ALA Editions, 2009
Paperback ISBN 978-0838909775
Adult

“Organised into chapters based on 16 themes, it is easy for the reader to find a story and associated activity to bring storytimes to life. Although written for librarians, the chosen themes follow topics common to many units of work in early education, and the stories and activities could easily be adapted by teachers to enhance either an integrated or trans-disciplinary unit of work.” – *Australian Library Journal*

“There are lots of ideas here on common themes both in the real world and the world of imagination.” – *Teacher Librarian*

“Both new and veteran storytellers will appreciate this book.” – *School Library Journal*

More Storytime Magic

Storytime Magic series #5
by Kathy MacMillan and Christine Kirker
with illustrations by Melanie Fitz
ALA Editions, 2016
Paperback ISBN 978-0838913680
Adult

“Another excellent resource from this author pair, this title presents songs, stories, and activities arranged by themes, such as fairy tales, animals, friends, and food. The stories and songs include originals and adaptations alike, and many of the tunes are sung to well-known traditional songs... With fun activities and timely information on the CCSS, this is an ideal choice for administrators, librarians, and parents eager to promote current literacy standards.” – *School Library Journal*

“MacMillan and Kirker continue their successful formula for helping librarians and others who plan stories and activities for children aged two and up... a welcome addition for public and school library professional collections.” – *American Reference Books Annual*

“The authors do a very good job of providing activities that can be used for different age groups as well as different time allotments and settings.” – *School Library Connection*

“...a worthwhile purchase for any youth department where there is a focus on storytime.” – *Booklist*

Baby Storytime Magic

Storytime Magic series #4
by Kathy MacMillan and Christine Kirker
with illustrations by Melanie Fitz
ALA Editions, 2014
Paperback ISBN 978-0838912164
Adult

“This will be a go-to book time and again, for ideas, for planning, and for resources for any adult working with children under age 2, and sometimes older.” – *American Reference Books Annual*

“Whilst there are many storytime/rhyme time book resources available on the market, what sets *Baby Storytime Magic* apart is that each suggested title is accompanied by a ‘literacy bit’ – this is a suggested script for the facilitator to use to explain to caregivers the benefits of a particular activity and how to use it at home... This book is a smart purchase for any public library, early education centre or professional providing activities for babies.” – *Australian Library Journal*

Kindergarten Magic

Storytime Magic series #2
by Kathy MacMillan and Christine Kirker
with illustrations by Melanie Fitz
ALA Editions, 2011
Paperback ISBN 978-0838910696
Adult

“*Kindergarten Magic* provides a time-saving, idea-promoting framework for kindergarten library lessons with an emphasis on fun and interaction... This book would be an excellent addition to a school librarian’s collection to complement lesson planning and allow for quick ideas when faced with a spontaneous lesson. In addition, public library children’s librarians would find this resource useful to assist in creative ways to build library skills into storytime sessions.” –

Australian Library Journal

“MacMillan and Kirker’s new book is a must-have resource for school librarians or teachers who work with kindergartners. The authors have combined their experience in children’s librarianship, storytelling, and American Sign Language to design 36 thematic library units that support kindergarten benchmarks for early literacy... Highly recommended.” – *Booklist*

Multicultural Storytime Magic

Storytime Magic series #3
by Kathy MacMillan and Christine Kirker
with illustrations by Melanie Fitz
ALA Editions, 2012
Paperback ISBN 978-0838911426
Adult

“Highly recommended.” – *The Idaho Librarian*

“*Multicultural Storytime Magic* does provide a very good range of themes with an excellent selection of age appropriate stories, songs and crafts with a multicultural flavour... It would be a useful addition to the storytelling toolkits of school and public librarians.” – Australasian Public Libraries and Information Services

“Both beginning storytellers and seasoned librarians can benefit from these fresh ideas.” – *School Library Journal*

A Box Full of Tales: Easy Ways to Share Library Resources through Story Boxes

by Kathy MacMillan
ALA Editions, 2008
Paperback ISBN 978-1439201312
Adult

Children's programming made easy. Really easy.

What librarian doesn't dream of offering more and better children's programs with less effort? In Maryland's Carroll County, story boxes have made this impossible dream come true for twenty years. Now Kathy MacMillan outlines the proven story box system for sharing an array of successful programs. Including step-by-step instructions from concept through implementation and supplemented by programming tips, *A Box Full of Tales* also offers detailed plans for 50 great story boxes, including suggested books, fingerplays, songs, props, crafts, and American Sign Language.

"The idea of story boxes to share program resources is brilliant—so much so that it's a wonder that it is not a more prevalent practice...Even children's librarians who don't work in multibranch systems will find this guide extremely valuable for its theme-based program outlines, whether or not they choose to create story boxes." – *Library Journal*

Try Your Hand at This!: Easy Ways to Incorporate Sign Language into Your Programs

by Kathy MacMillan
Scarecrow Press , 2005
Paperback ISBN 978-0810854475
Adult

Try Your Hand at This is a user-friendly guide for librarians and other personnel involved in library programming. From how to set up sign language programming for all ages to dealing with interpreters, publicizing programming to the public and the Deaf community, and evaluating and improving the library's sign language collection, Kathy MacMillan speaks with the voice of experience. She excels at dispelling the numerous myths surrounding deafness and sign language. This handbook is an indispensable tool for all library personnel looking to reach out to the Deaf and hard-of-hearing communities.

“...guides library programming personnel through the common pitfalls of new learners of ASL and the background knowledge necessary to introduce ASL in context, and offers practical information on establishing community partnerships, working with interpreters, and marketing programs. The text also includes sample programs for all ages - baby, toddler, preschool, elementary and middle school, and family programs - annotated bibliographies of ASL resources and materials to use with sign language, games and crafts for ASL programs, a glossary of terms relating to sign language and deafness, and a visual glossary of commonly used storytime signs.”
– *Reference and Research Book News*

“Library program planners will want to read Kathy MacMillan's new book, *Try Your Hand at This: Easy Ways to Incorporate Sign Language into Your Programs*. MacMillan explains how to work with interpreters to provide programming to the Deaf community and dispels some of the myths about deafness and sign language. She also addresses how to set up programming involving sign language for all ages and offers advice on how to publicize the programs to the public and within the Deaf community.” – *American Libraries*
